

MoU between FTMS & Ministry of Education & Scientific Research, Republic of Yemen

MoU signed by FTMSGlobal college's Principal and CEO, Dr. Sajjal Divakaran and the Embassy of Yemen's, Cultural counsellor, Mr. Amin Mohsen Al-hamdani.

On Thursday 18th January 2018 FTMSGlobal College, Malaysia, and the Ministry of Education and Scientific Research, Republic of Yemen signed and MOU for the collaboration and promotion of education to students from Yemen.

Signed by FTMSGlobal college's Principal and CEO, Dr. Sajjal Divakaran and the Embassy of Yemen's, Cultural counsellor, Mr. Amin Mohsen Al-hamdani, and witnessed by His Excellency Dr. Adel Mojamed Ba Hamid, Ambassador of the Republic of Yemen and Senior Finance Manager, Mr. Amran Omar Mohammed the MOU provides scholarships for students from Yemen wishing to undertake Undergraduate and Postgraduate degree programmes from the Anglia Ruskin University, UK, and the University of East London, UK, offered by FTMS.

The MOU confirms the connecting of both countries through the formation of a strategic collaboration in the promotion and strategic capacity building for Yemen. Using the vast experience gained from over thirty (30) years within education FTMS will provide students from Yemen with the necessary skills in areas selected by the Ministry at both Undergraduate and Postgraduate levels.

In recognition of the support extended to FTMS by the government of Yemen FTMS confirmed the availability of a total of eighteen scholarships for students from Yemen.

Meeting Students

His Excellency Dr Adel Mojamed Ba Hamid, Ambassador of the Republic of Yemen welcomed by Yemeni Students.

The Ambassador having a brief discussion with students from Yemen during his campus tour

Prior to the signing ceremony discussion on the importance of education in the development of a new generation of citizens was held. It was agreed that for this generation the gaining of a certificate may not be the most important objective. Students are being encouraged to be more independent, to develop their individual personalities and attitudes. It was also agreed that, with over fifty (50) nationalities represented in the student body, the multicultural composition of both students and staff at FTMS provides a suitable environment for this development.

This diverse student population provides for all students to gain an introduction to and an understanding of each other's different cultures and societal norms during their education.

In the meeting of students' expectations FTMS College CEO, Dr. Sajjal Divakaran, was pleased to inform the Ambassador of the ratings awarded following the 2016/2017 MyQUEST evaluation by the Ministry of Education. The 6 Star (Outstanding) ratings achieved for the General Programme, the Science, Mathematics and Computing and the Social Sciences, Business and Law clusters and the 5 Star (Excellent) rating for the International Student Services cluster are results which confirm FTMS' profile as one of the top colleges in Malaysia and provide a true reflection of the quality of education provided. Dr. Divakaran also gave assurance to the Ambassador that while these excellent ratings have been awarded FTMS remains committed to further enhancing excellence in all areas as it prepares students for future success in both their education and their future careers and employment.

Following the discussion and signing of the MOU a photo session was held with both embassy and FTMS staff and students to record the event.

MoU signed by FTMSGlobal college's Principal and CEO, Dr Sajjal Divakaran, and the Embassy of Yemen's, Cultural counsellor, Mr Amin Mohsen Al-hamdani.
