

FTMS College Awarded **5 Stars Rating** from the Ministry of Higher Education Malaysia

MALAYSIA IPT RATING RESULTS 2018/2019 Announced on 18 December 2020

The Ministry of Higher Education Malaysia (MOHE) has implemented the Higher Education Institutions (IPT) Rating 2018/2019 which includes the Rating System for Malaysian Higher Education Institutions (SETARA) and the Malaysian Quality Evaluation System for Private Colleges (MyQUEST).

MyQUEST is a rating system developed by MOHE since 2009 to assess the quality of private colleges in Malaysia. This MyQUEST evaluation and rating has been implemented four (4) times, namely the sessions 2010/2011, 2012/2013, 2014/2015 and 2016/2017.

MyQUEST Rating

MyQUEST rating is evaluated through 35 indicators which include the dimensions of input (20%), process (30%) and output (50%) which emphasizes the five (5) main thrusts namely,

- 1. Student Quality and Diversity**
- 2. Resources and Financial Sustainability**
- 3. Quality Management System**
- 4. Programs Recognition**
- 5. Graduates Recognition and Institutional Reputation.**

Principal's Message

Dr. Sajjal Divakaran
Principal, FTMS College

I am very proud and pleased to inform that FTMS College Malaysia has been awarded again the 5 Stars Rating following the MyQUEST recent evaluation by Ministry of Higher Education Malaysia (MOHE).

These results confirm FTMS's profile as one of the best colleges in Malaysia. This achievement will further raise the profile of FTMS, maintaining its position among the best colleges in Malaysia and providing a true reflection of the quality of education provided by the college.

We will continue to give our best as we prepare our students for future success in their education and in their future careers and employment.

We are proud that the MyQUEST 5 Stars Rating reaffirms the results of our hard work, and we are definitely using this recognition as motivation to further improve ourselves. This achievement is yet another honour added to our rich heritage and a testament to our efforts in sustaining our reputation as a leader in education.
